WARRANTY AND DISCLAIMER:

Get Pricing

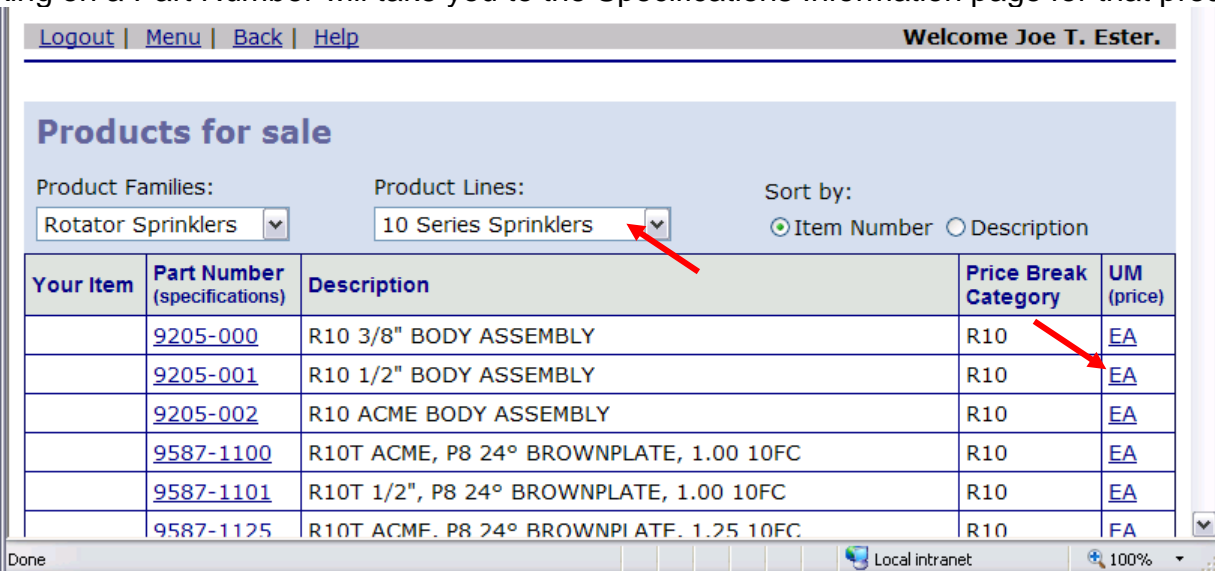

From the Menu Page, if you know the specific part number, enter the number in the Price Check area, and click on the "Get Price" button.

If you don't know the part number click on the Product Category desired. For example: [Rotator Sprinklers](#)

This will take you to the Products for Sale page,

Select desired Product Family and Product line from the drop down lists. Then find the item needed and click on the [EA](#) link for that item to display the Price Inquiry tool. (Clicking on a Part Number will take you to the Specifications Information page for that product.)

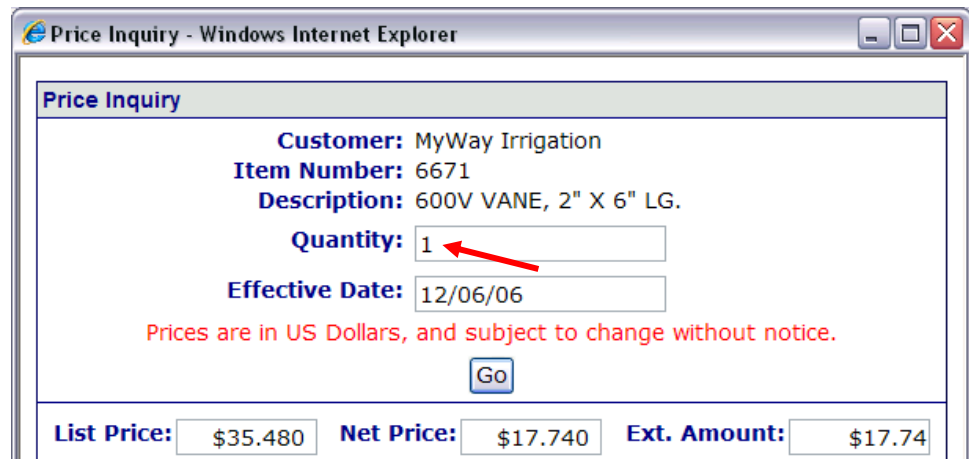

Enter the quantity you want to purchase.

Click "Go" to see the pricing details

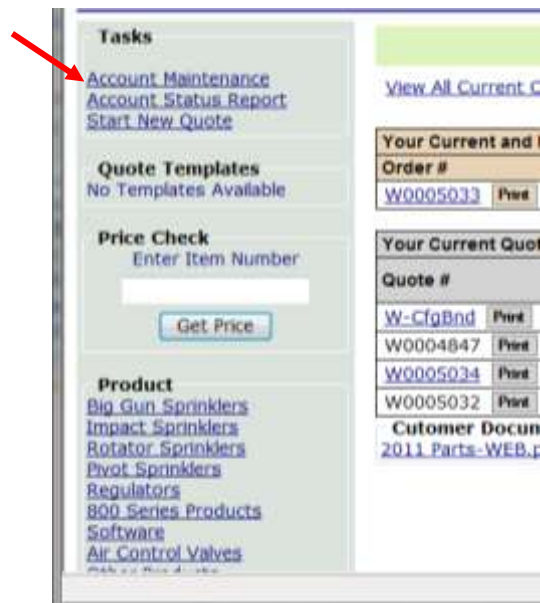

Note – all prices are in US dollars.

If you will be buying several versions of the pricing family, this screen will not calculate the total pricing impact of the TOTAL purchase quantity.

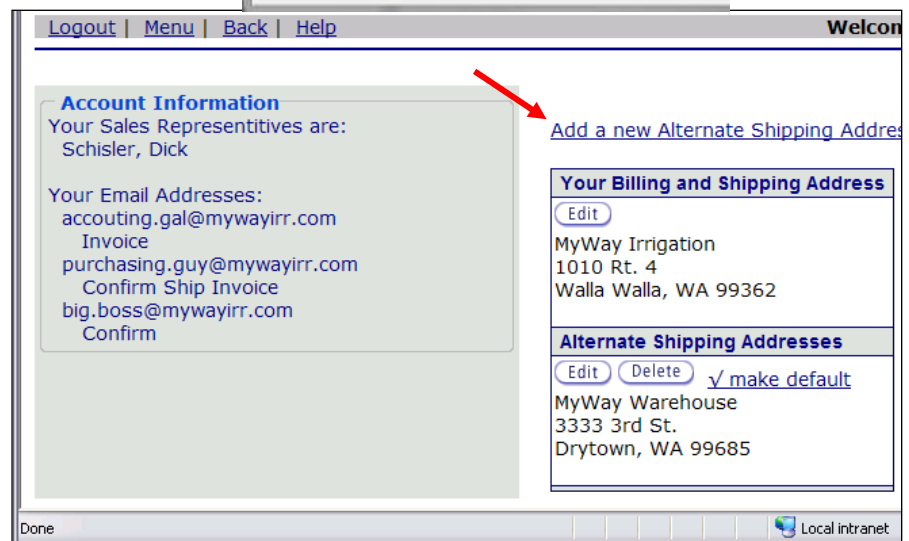

Add a Shipping Address

From the Menu page click on [Account Maintenance](#)

Click on [Add a new Alternate Shipping Address](#)

Fill in the new Shipping Information and click on **Save**

Create Template

If you have a group of items that you purchase routinely, you can set up a “Template” to start from.

Enter a Quote as described above.

When all items are entered, go back to the [Order Info](#) tab.

Enter a description in the PO box that will help you identify this template.

Click on [Save Order as Template...](#)

This order is now available for you to use as a starting point on future orders.

Modify Template

To modify an existing template, select the template from the drop down menu and click on the **Edit** button on the main menu page.
